WING SHOOTING NORTHERN CAPE

Gkhui Gkhui River Lodge is situated between Orania and Hopetown, and boasts a variety of birds in the prime area of the Northern Cape. An abundance of game birds and waterfowl on arguably the best stretch of the Orange River makes this a destination worth traveling to. Add our expertise, friendly service and hospitality to this and you have the perfect wing shooting destination

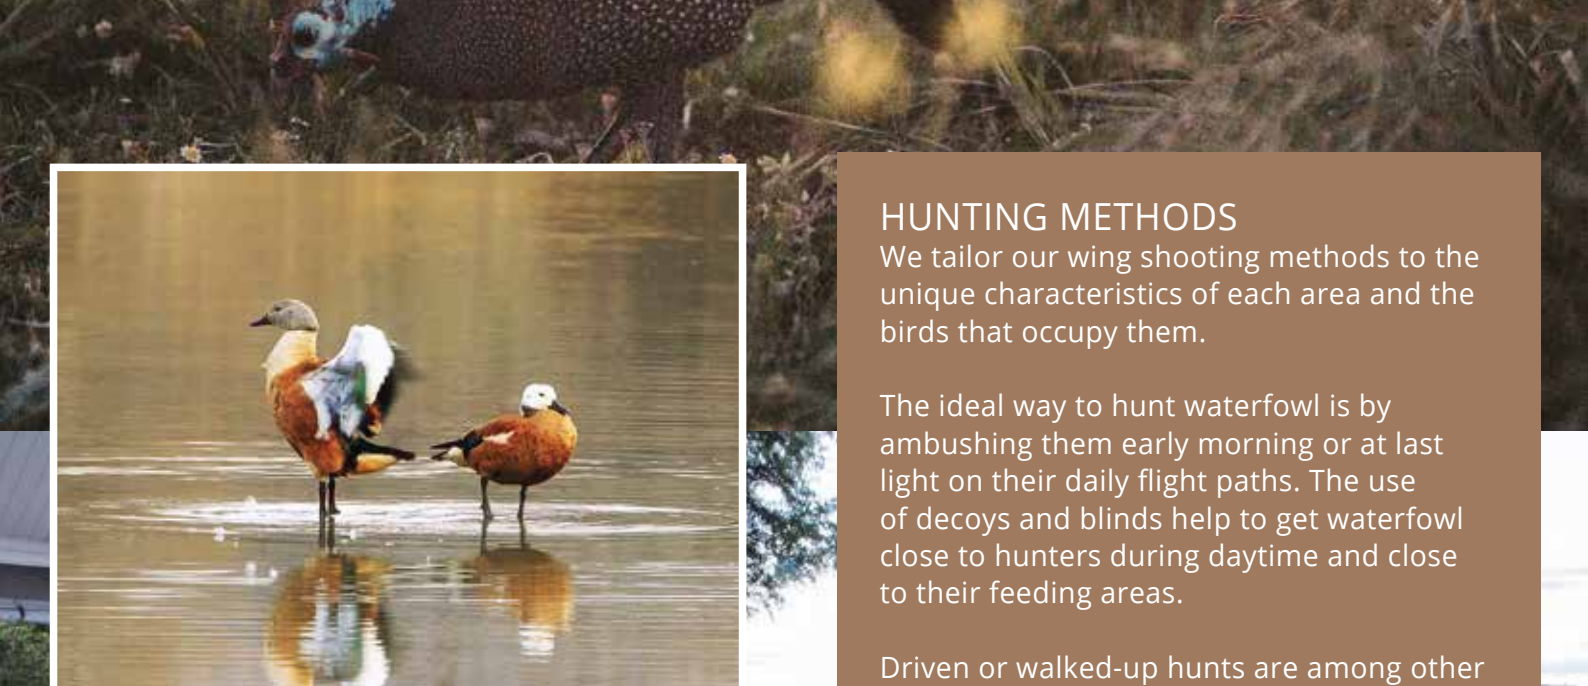

LANDSCAPE
Embark on a thrilling expedition through a landscape as diverse as it is captivating. There is a vast stretch of the Orange River winding through the expansive property, adorned with dense river vegetation and scattered with islands. Alongside lies the rugged beauty of indigenous Karoo veld, with multiple inland ponds and nearby irrigation fields and salt pans.

Nestled amidst this surrounding oasis of nature lies our lodge, a bird haven for avid wing shooters who are seeking paradise.

DOGS
We appreciate the passion you have for your hunting companion and welcome properly trained hunting dogs on all hunts. We do however require you to make sure that they do not endanger the game found on the property and to please supply their own sleeping amenities.

HUNTING METHODS
We tailor our wing shooting methods to the unique characteristics of each area and the birds that occupy them.

The ideal way to hunt waterfowl is by ambushing them early morning or at last light on their daily flight paths. The use of decoys and blinds help to get waterfowl close to hunters during daytime and close to their feeding areas.

Driven or walked-up hunts are among other methods used to target game birds, and we ensure every strategy is a gateway to unforgettable encounters.

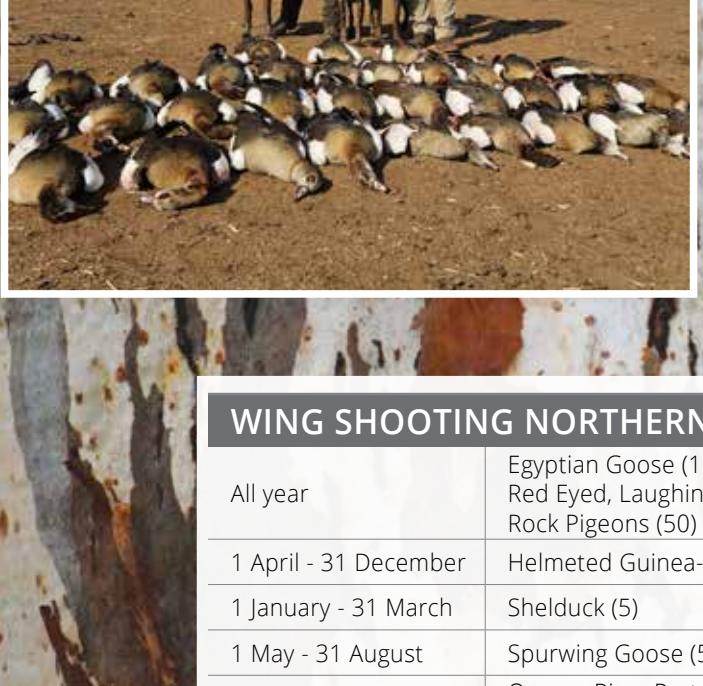

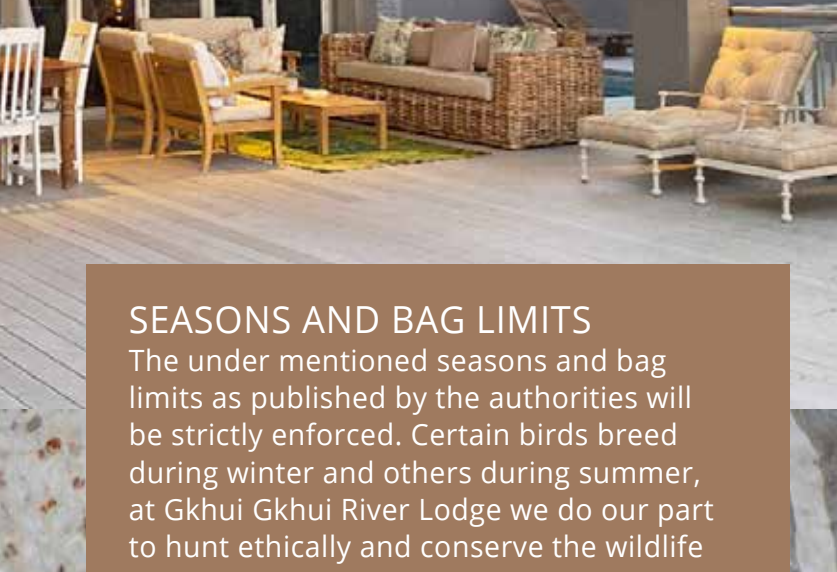

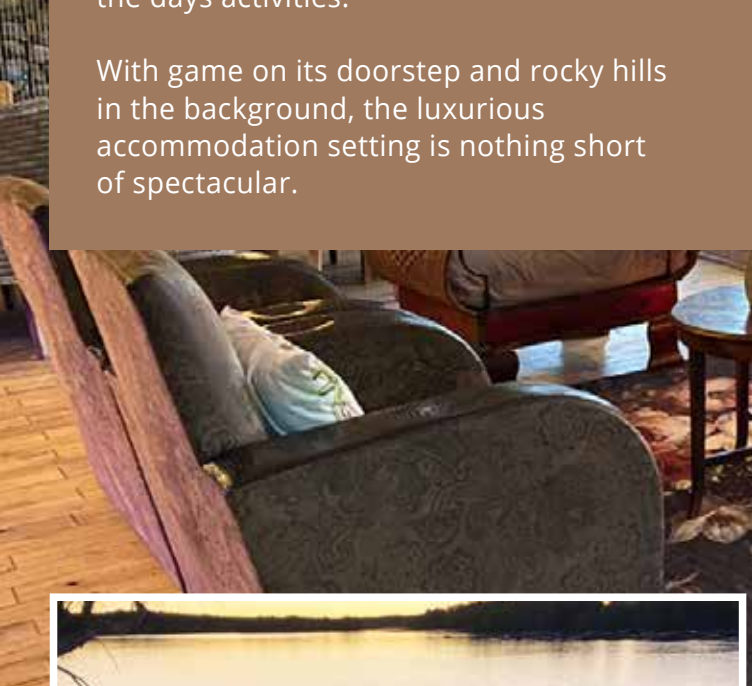

LODGING
Lodging is in private standalone riverfront rooms, each with their own private deck, overlooking the Orange River. All rooms are complete with modern amenities such as air-con/heaters, mini fridges, and en-suite bathrooms. A select few even have their own outdoor wood-fired hot tub.

All rooms are a short walk from our swimming pool and river deck, adjoined by an outdoor communal fire pit and lava area with an open view onto the river.

Our kitchen delivers gourmet cuisine of the highest standard, which can be enjoyed on our main deck while taking in the majestic views of the mighty Orange River. We have a fully stocked bar and a wine cellar with a variety of South Africa's finest wines. Enjoy the comfort of our indoor lounge with multiple fire places while you unwind from the days activities.

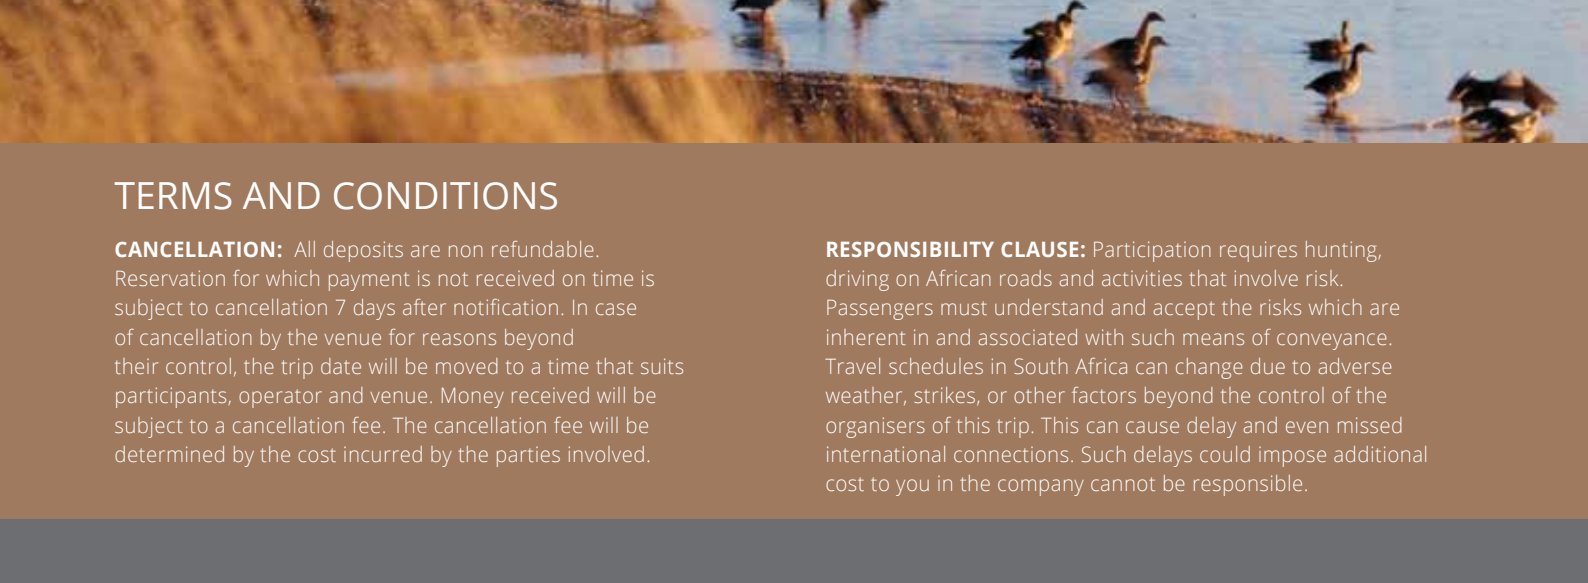

With game on its doorstep and rocky hills in the background, the luxurious accommodation setting is nothing short of spectacular.

SEASONS AND BAG LIMITS
The under mentioned seasons and bag limits as published by the authorities will be strictly enforced. Certain birds breed during winter and others during summer, at Gkhui Gkhui River Lodge we do our part to hunt ethically and conserve the wildlife and birds found on our property and require our guests to honour this.

If bag limits of available species are reached during morning sessions then complimentary guided fishing will be available in the afternoon if conditions allow.
